## SIEMENS

## Data sheet

## 3RV2011-1GA10

| Circuit breaker size S00 for motor protection, CLASS 10 A-release 4.56.3 A N- |
|---|
| release 82 A screw terminal Standard switching capacity                       |

| 5/13  |                      |
|---|----------------------|
| product brand name  | SIRIUS               |
| product designation   | Circuit breaker      |
| design of the product   | For motor protection |
| product type designation  | 3RV2                 |
| General technical data  |                      |
| size of the circuit-breaker                                     | S00                  |
| size of contactor can be combined company-specific              | S00, S0              |
| product extension auxiliary switch                              | Yes                  |
| power loss [W] for rated value of the current                   |                      |
| <ul> <li>at AC in hot operating state</li> </ul>                | 7.25 W               |
| <ul> <li>at AC in hot operating state per pole</li> </ul>       | 2.4 W                |
| insulation voltage with degree of pollution 3 at AC rated value | 690 V                |
| surge voltage resistance rated value                            | 6 kV                 |
| shock resistance according to IEC 60068-2-27                    | 25g / 11 ms          |
| mechanical service life (operating cycles)                      |                      |
| <ul> <li>of the main contacts typical</li> </ul>                | 100 000              |
| <ul> <li>of auxiliary contacts typical</li> </ul>               | 100 000              |
| electrical endurance (operating cycles) typical                 | 100 000              |
| reference code according to IEC 81346-2                         | Q                    |
| Substance Prohibitance (Date)                                   | 10/01/2009           |
| Weight  | 0.352 kg             |
| Ambient conditions  |                      |
| installation altitude at height above sea level maximum         | 2 000 m              |
| ambient temperature   |                      |
| <ul> <li>during operation</li> </ul>                            | -20 +60 °C           |
| during storage  | -50 +80 °C           |
| during transport  | -50 +80 °C           |
| relative humidity during operation                              | 10 95 %              |
| Environmental footprint   |                      |
| Environmental Product Declaration(EPD)                          | Yes                  |
| global warming potential [CO2 eq] total                         | 74.698 kg            |
| global warming potential [CO2 eq] during manufacturing          | 1.98 kg              |
| global warming potential [CO2 eq] during sales                  | 0.134 kg             |
| global warming potential [CO2 eq] during operation              | 72.7 kg              |
| global warming potential [CO2 eq] after end of life             | -0.116 kg            |
| Siemens Eco Profile (SEP)                                       | Siemens EcoTech      |
| Main circuit  |                      |
